I. Abstract

The KEEP is a job shadowing program designed to provide students with career exploration opportunities under the mentorship of a NASA Kennedy Space Center (KSC) subject matter expert. Participation in the program is limited to students who are U.S. citizens and 16 years or older. Interested students will submit a job shadowing application package, which includes recommendations from two separate science, math, or technology teachers associated with their current school of enrollment and designation of their top three choices for the job shadowing experience to include but not limited to biomedical, chemistry, computer science, engineering, meteorology, and physics. Students may request a shadowing opportunity for a period of 1-5 days. This information collection renewal includes updates to the application package for clarity and comprehensibility.
